STREET CLOSURE SOUTH PETERS AVENUE BETWEEN EAST MAIN STREET AND EAST COMANCHE STREET

Weather permitting, the City of Norman Line Maintenance Division will be replacing a deteriorated cast iron water main on East Comanche Street at the intersection of South Peters Avenue starting Monday, July 21st. The water main construction entails crossing South Peters Avenue on the north side of East Comanche Street at the intersection. This will require South Peters Avenue to be closed to north and south bound through traffic from East Main Street to East Comanche Street beginning Monday, July 21st through July 25th.

The traveling public should be advised that South Peters Avenue will remain closed until the completion of the water main installation and street replacement. Advance warning signs and recommended detour routes will be posted to direct the traveling public.

If there are further questions, please contact the Line Maintenance Division at 405-329-0703.
